## Nineteen Hundred and Sixty Six

HANDS

Hands are movements in life;
They are guided and directed
To accomplish everyday things.
There are five fingers on a hand:
One—for work,
"Hand in your papers."
Two—for help,
"Give me a hand."
Three—for friendship,
"We're as close as hand and glove."
Four—for fun,
And a thumb to make the others easier.

They are encouraged and taught
To create wonders on earth.
They build skyscrapers;
They rock cradles;
They climb mountains;
They pray.
Hands are movements in life.

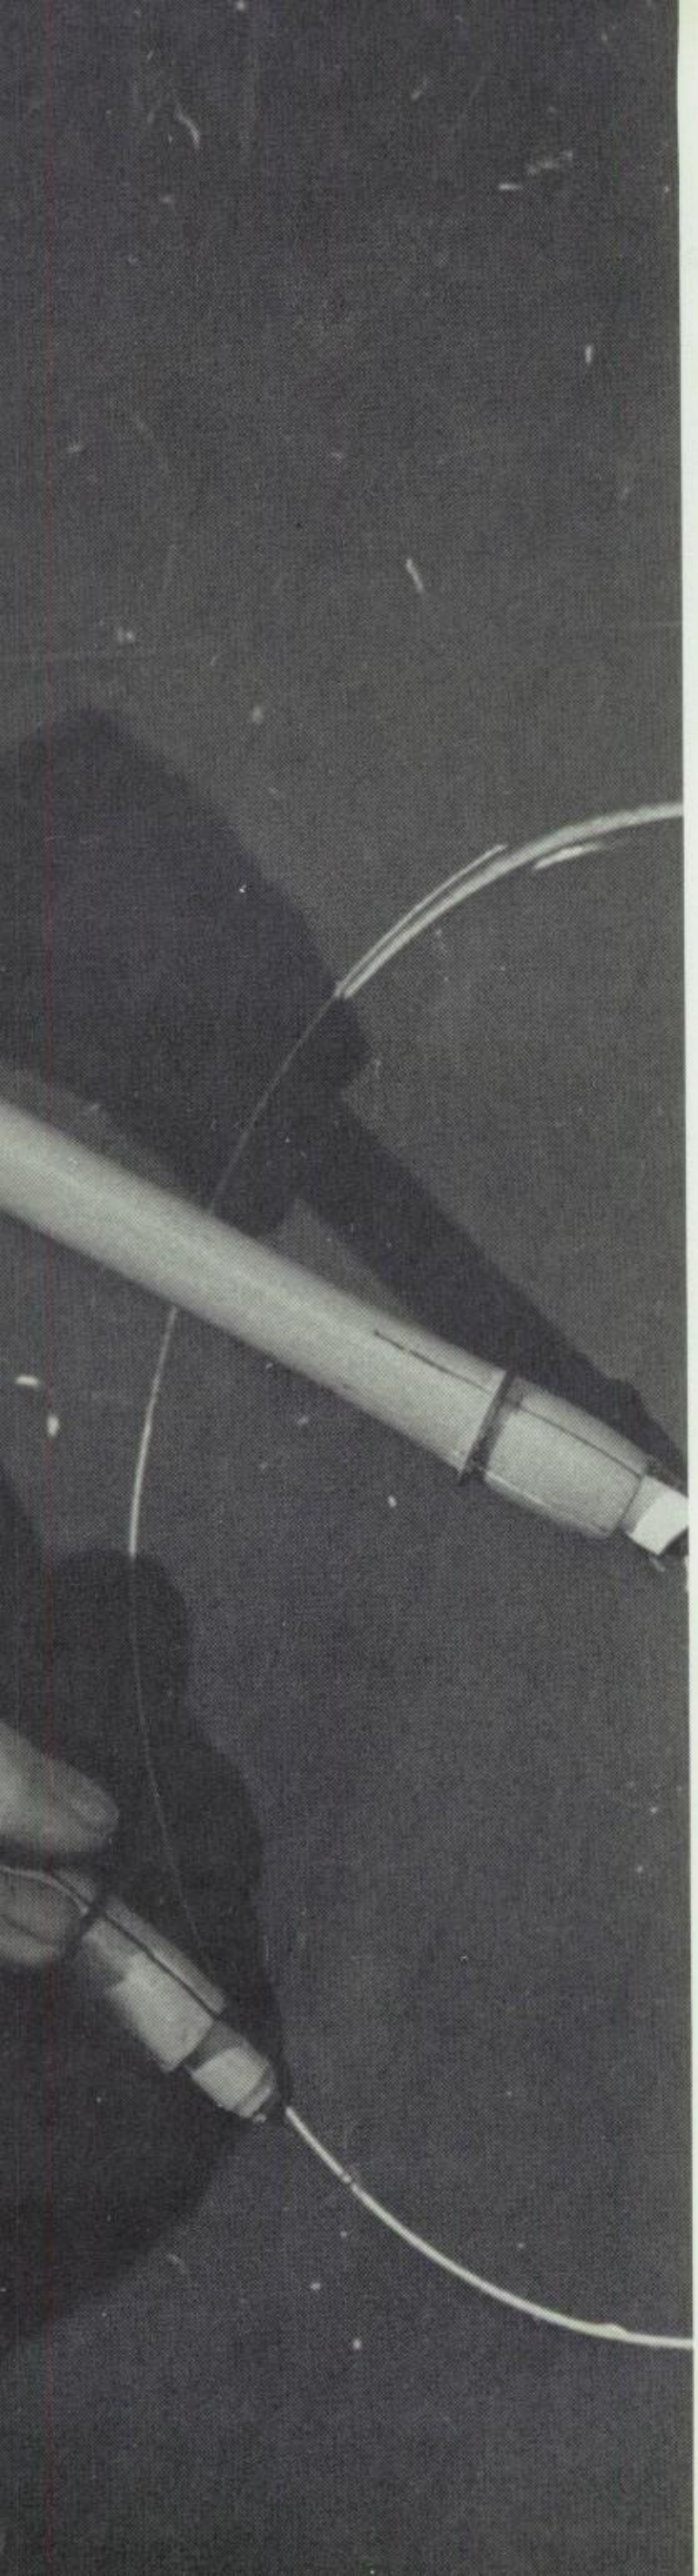
# ACKNOWLEDGMENTS

The staff wishes to thank Mr. Latta and the faculty of Fostoria High School for their fine co-operation; Mrs. Phyllis Gilliland and Mr. Judson Rinebold and the staff at The Gray Printing Company for their help; the Dicken-Wonders Studio for their assistance; and the Review-Times for their generosity.

# DEDICATION

## MISS BARBARA MOORE

For over twenty years when the going was tough, you were always there to lend a hand. You will never know how much your kind smile and sweet disposition lightened the load that sometimes seemed too much to carry. In appreciation of this, it is little enough that we—the class of 1966—dedicate this annual to you.



# ADMINISTRATION and FACULTY

The faculty is the arms of the school—the arms that guide the students in knowledge and skill in the classroom and in attitudes outside of the school. The teacher is in part responsible not only for what the student learns, but for what he is.

If the faculty is the arms, the school board is the body that allows the teachers the freedom to teach. The school board is responsible for the administration of not only the high school but the entire school system.

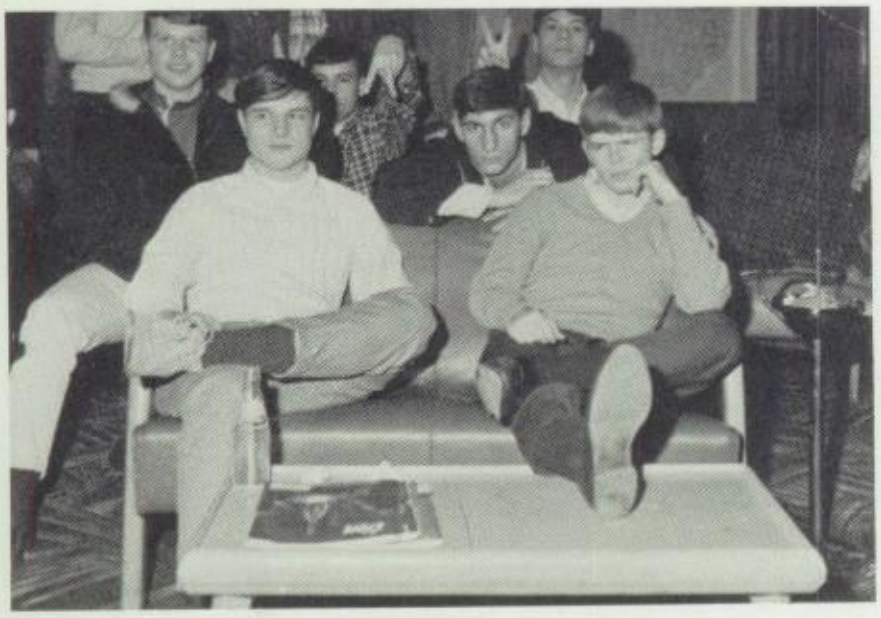
# SENIOR POEM

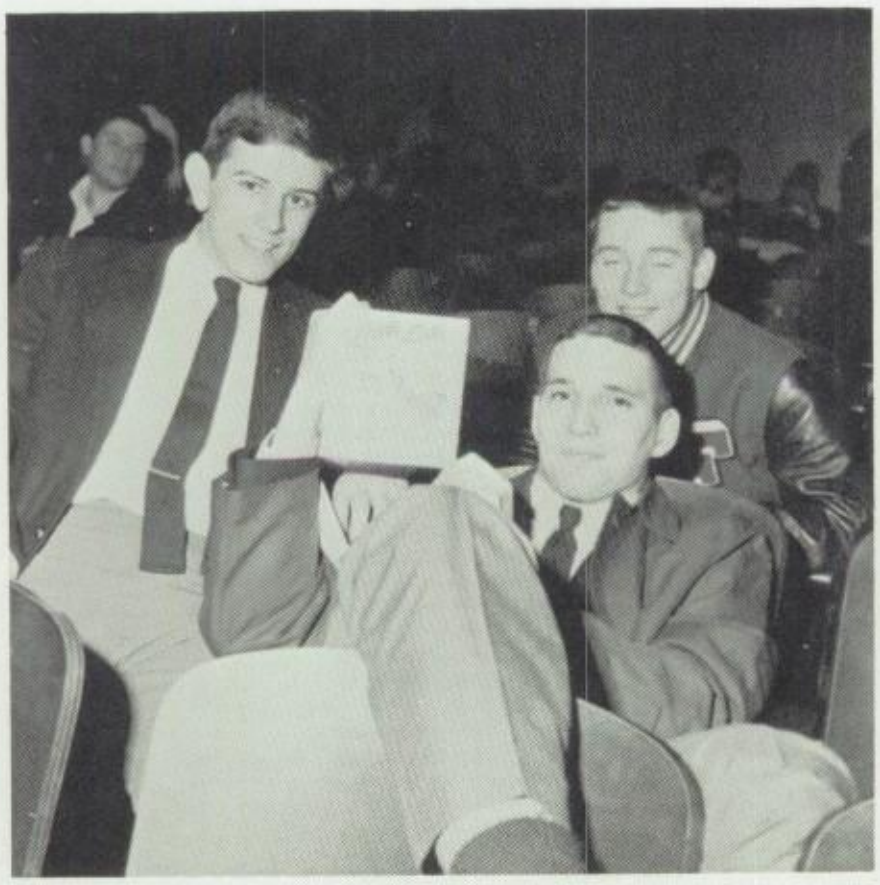
*by Linda La Dow 1942*

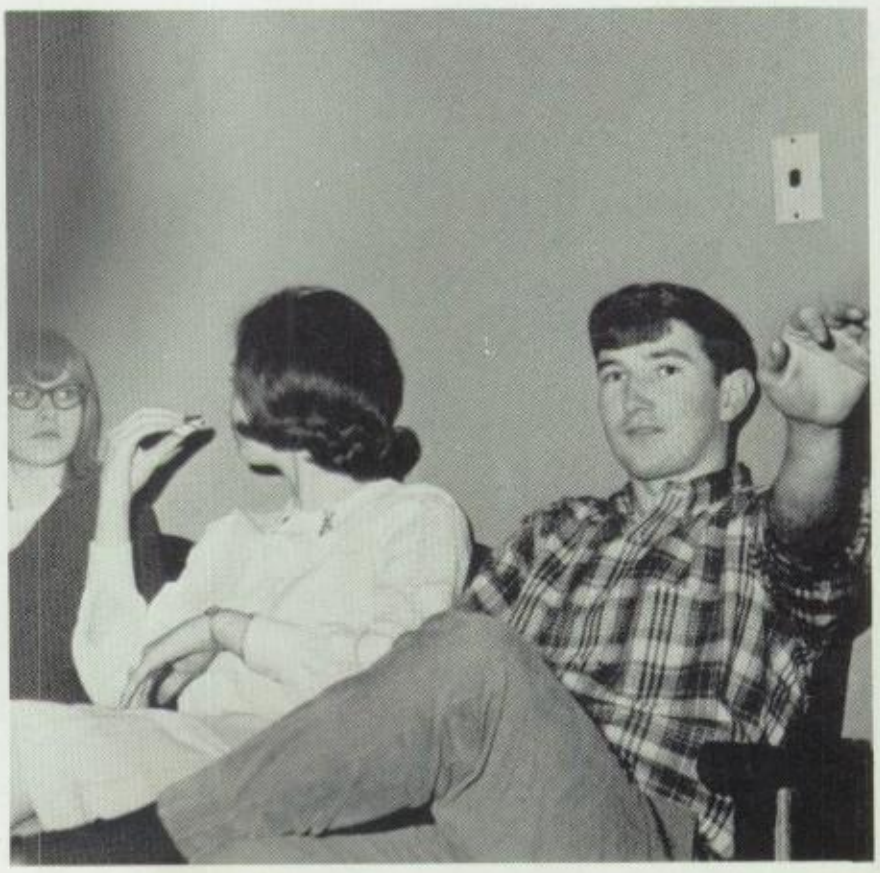
Take what you have and do your best;
Unchanging law will do the rest.
We know the cause, the effect to be,
It is not given us to see.
The result may not suit your plans;
But lift your chin and try again.

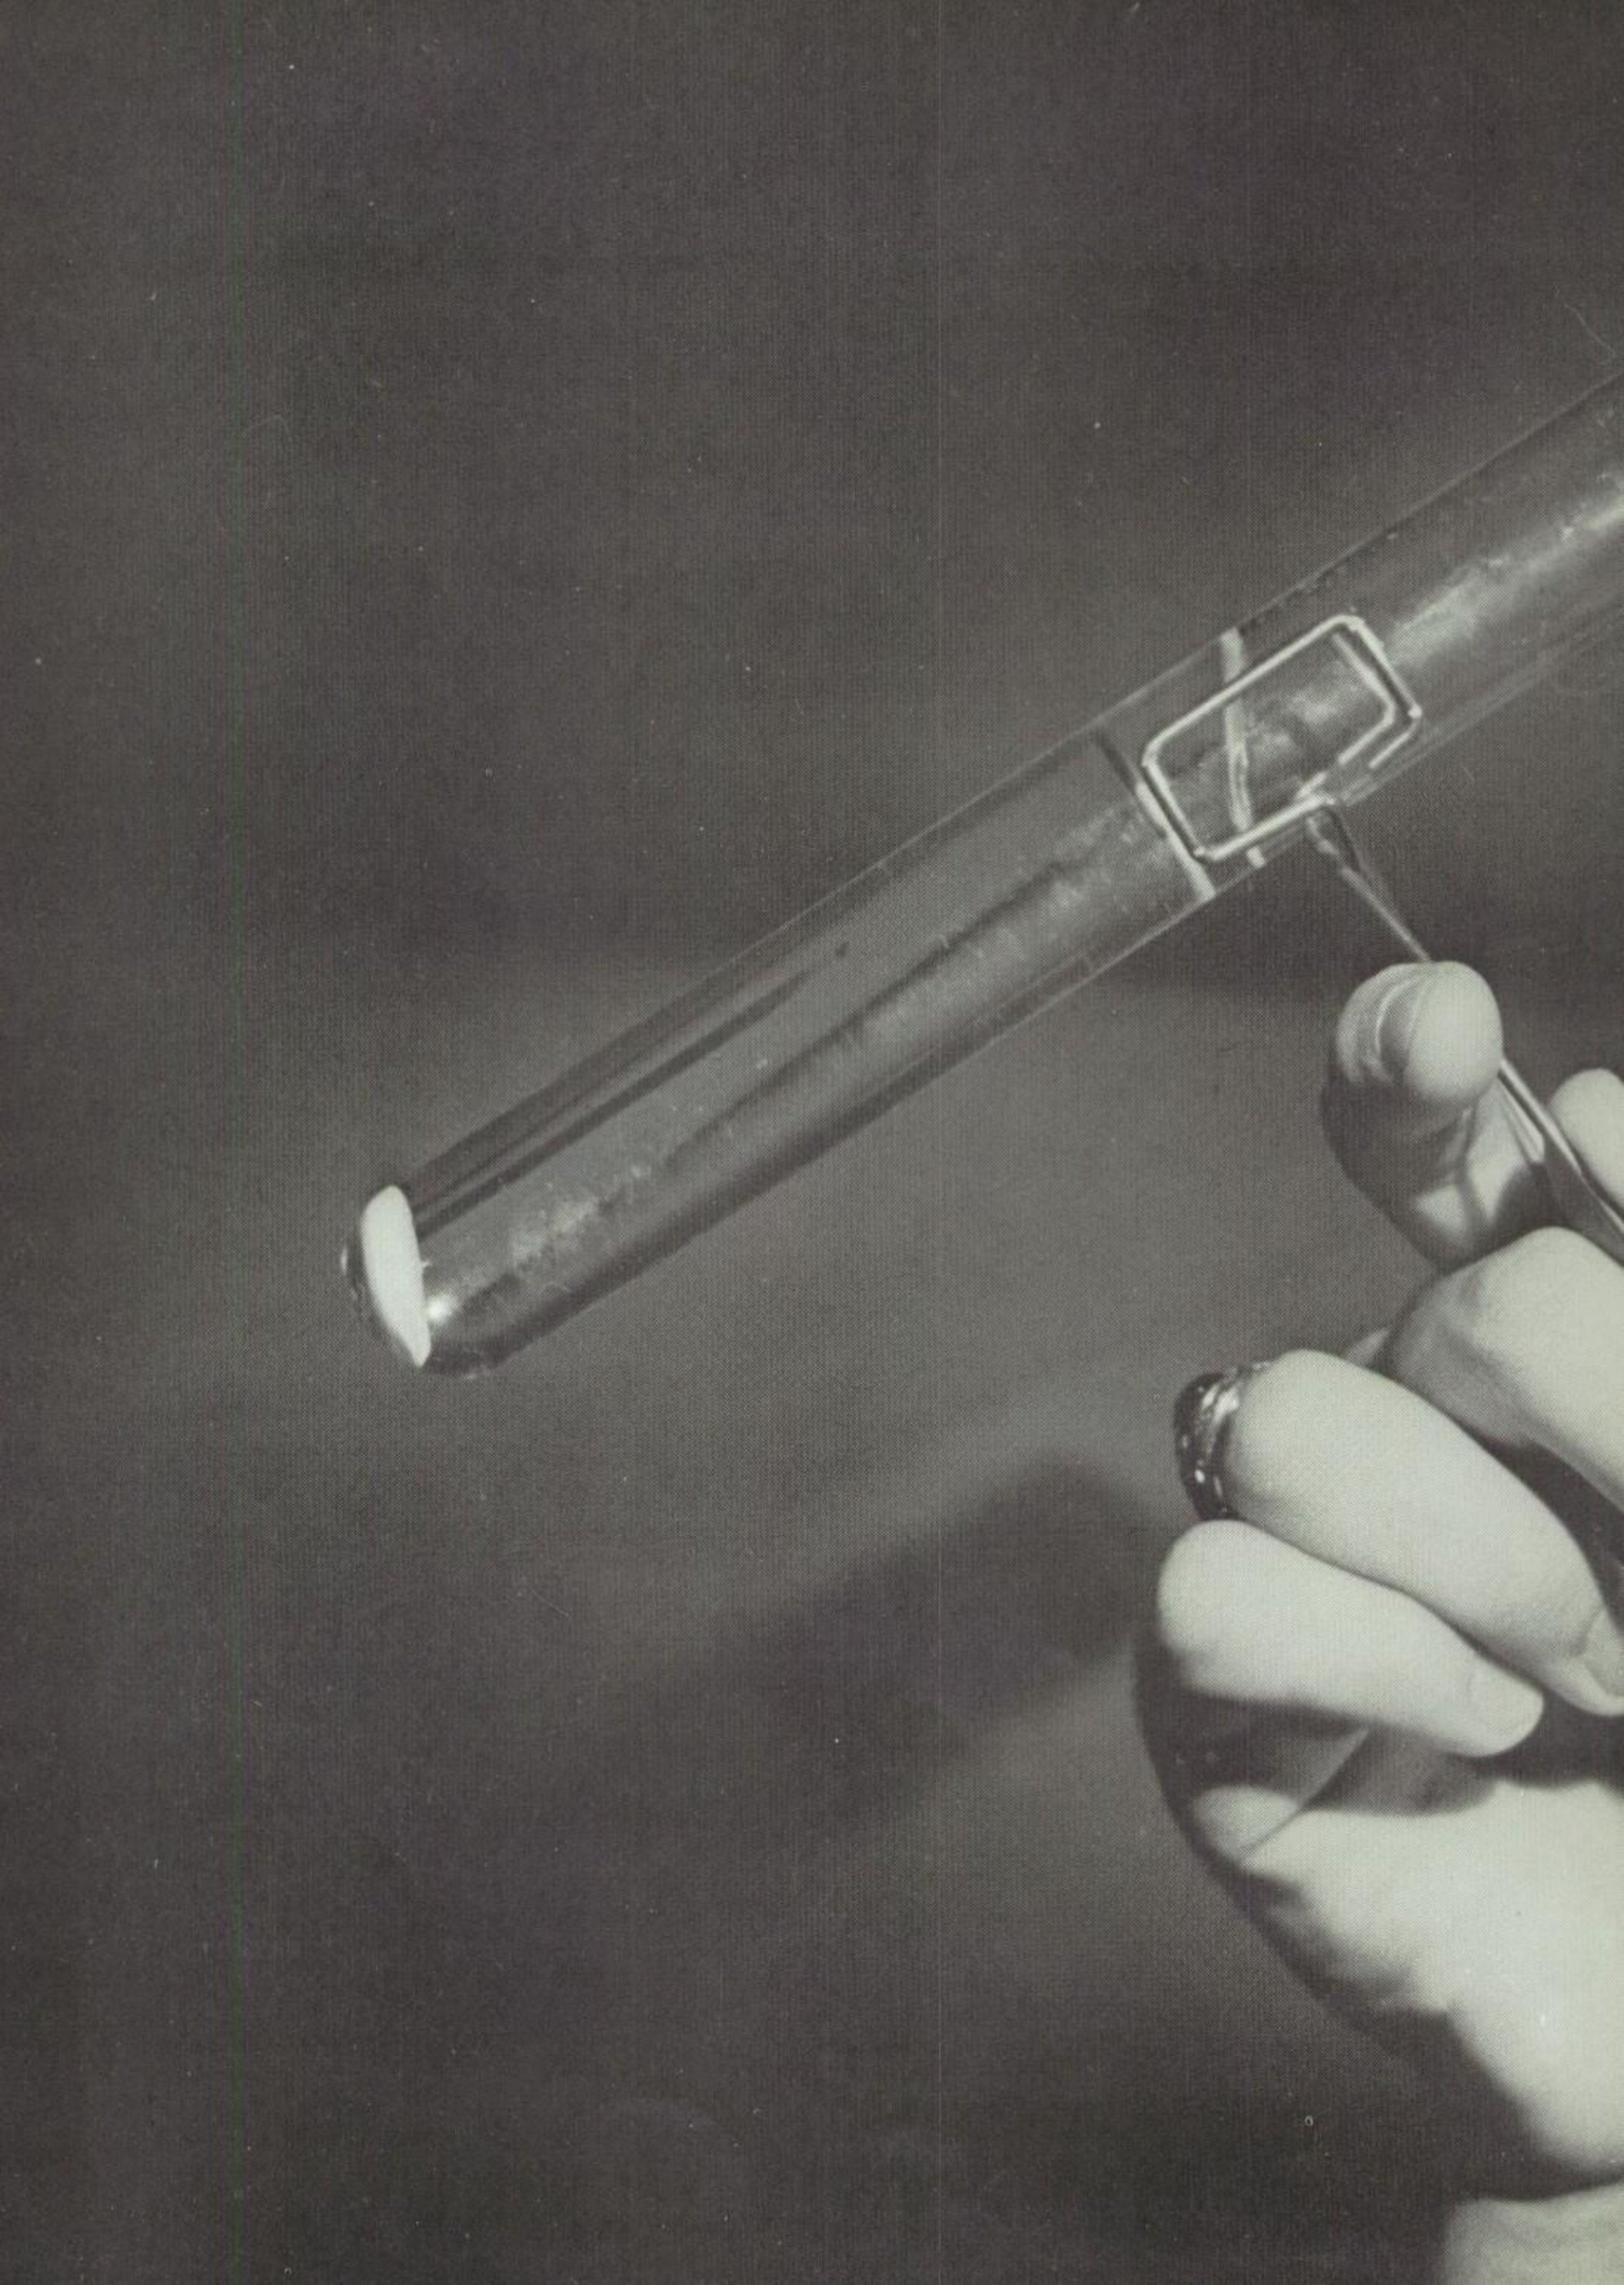
The Golden Rule seems out of place;
And men now try to rule by hate.
Two thousand years the rule's been taught;
Today it almost seems for naught.
What God must think of us today,
I would not even try to say.
The earth, so beautiful and good,
All soaked and stained with human blood;
Shame! Shame! that we, of this late day,
Can't settle wrong some better way!

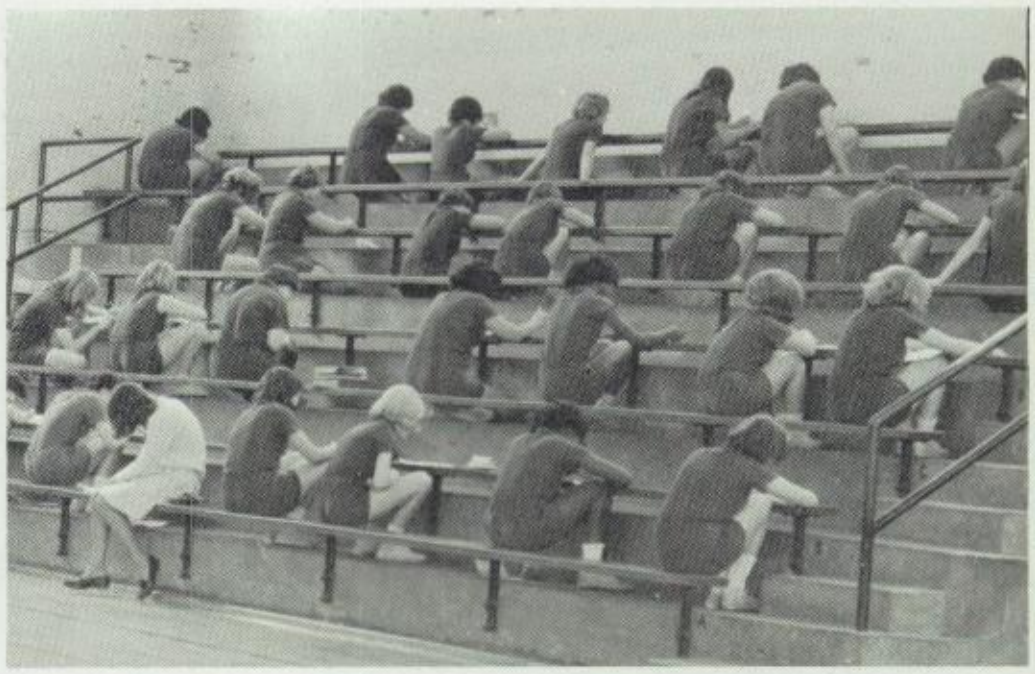
# SENIOR CANDIDS











# UNDERCLASSMEN

The freshmen have headaches; the sophomores have ideas, and the juniors have a prom. Underclassmen are hard to group together because each year of a student's school life is unique as students progress from stumbling, unsure freshmen to debonair, cocky sophomores to eased, learned juniors. The freshmen choose to follow; the sophomores choose their own methods, and the juniors choose a ring.

*Hands:* Dan Fast

Al Jeter—Vice-president
Ray Sinclair—Treasurer
Dan Fast—President
Vicki Wice—Secretary

Juniors have busy hands, wearing a ring that symbolizes an upperclassman. Work is important to a junior as he studies his most difficult courses, plans a prom, and prepares for his final year of school. A junior is a vital person.

FRESHMAN HOMEROOM PRESIDENTS
Standing: Jackie Baker, Marianne Sinclair, Richard Kaminsky, Larry Graves, Steve Swartz, Susie Dray, and Mrs. Beisner. Seated: Connie Price, Judy Brown, Pamela Hardy, and Debi Valenti.

Hands for a freshman are helping hands of guidance, learning, endurance, and an occasional shove from upperclassmen. Being the youngest in the school, the freshman class discovers new studies and subjects, clubs, and athletics. By the end of the year a freshman has had a hand in forming the traditions and memories his class will keep throughout its four years of high school.

# ACTIVITIES

Students join clubs to put their talents to better use, and the school offers activities to meet all talents. A student can join speech or drama if he is interested in speaking out or chess if he wants quiet contemplations. Girls have clubs, and boys have clubs. There are clubs that further classroom work and clubs that introduce new ideas. There are clubs for everyone.

# MUSIC

Fingers on a keyboard, hands holding drumsticks—music is a student producing beauty through his own hard work. Practice is important for a choir, orchestra, and band whether they are producing a musical, playing in a pep assembly, presenting a concert, or parading a half time show at a football game. The music department keeps the school singing.

# SPORTS

Hands are in the air for two more points, and the crowd leap to their feet shouting and clapping. Boys are proud to be on a team that represents what their school can do. They work hard to be a team and depend on the ability of their coaches and the spirit of their school. They learn that teamwork earns the sweetness of victory and that good sportsmanship lessens the sting of failure.

The Fostoria High School Athletic Board plays an important role in the regulating and planning of the athletic programs and the scheduling of sports activities in the Fostoria school system.

Mr. Bender is retiring this year after twenty-three years of service to the school. It is only fitting special note be made of this since he has served first as coach and then as athletic director during these years.

# FOOTBALL

In Fostoria football this was the year of the TOMAHAWK. Under the direction of new head coach Dennis Studrawa, this proud defensive unit paced the Redmen to a fine 7-3 won-lost record. The Redmen wasted no time in showing area fans what they had, as the inspired crew surprised arch-rival Findlay in the opener. The high flying Redmen went on to defeat Tiffin 20-14, Rossford 36-8, and Bowling Green 38-19. Plagued by penalties and injuries, the Redmen dropped the next two contests to Rogers and Whitmer 0-20 and 0-12 respectively. The scrappy Redmen rebounded with a big win over Sylvania 26-6, lost a hard fought 0-7 decision to Oregon Clay, and wound up the season on the winning note with victories over Bedford, 20-13, and Port Clinton, 16-0.

The victories came as the result of hard work, sacrifices, dedication, and team work. Art Burton, Gene Erbland, and Nolan Reinhard were selected for all league first team honors. Dick Watkins, Terry Alge, and Al Jeter were named second team all league selections. Named Honorable Mention were seniors Roger Reffner, Ron Markoff, and David Clay, and juniors Bob Green and Roger Good. Art Burton and Terry Alge distinguished themselves by being named second team All-Ohio by the UPI and AP respectively.

The 1965 addition of the Redmen was led by senior tri-captains Lanny Piper, Gene Erbland, and Art Burton, who were chosen by the team members before the season started.

# RESERVE FOOTBALL

First row: Coach Jackson, Glen Downing, Bill Rothgeb, Steve Workman, Steve Holden, Larry Redinger. Second row: Joe Prater, Irvin Macbeth, Lewis Browning, Tom Smith, Bill Youngston. Third row: Jim Chalfin, Wayne Kauffman, Dean Peeler.

The reserve football team had two new coaches this year, although one of them is no newcomer to FHS. Carlos Jackson left the freshman team to handle the reserve backs and Coby Coburn came from Defiance to take charge of the reserve line. Although the team had the unimpressive record of 1-6-1, they played several good ball games, including league foes Whitmer and Bedford. Irvin McBeth was selected as the team's most improved player. Coach Jackson said of the team, "I feel that they were real hard workers and with a little more talent we could have won several of the games."

# FRESHMAN FOOTBALL

First row: Ed Poss (Manager), Gary Markoff, Scott Danner, Jack Hartly, Larry Graves, Mike Jones, Steve Waterson, Mike Stroman, Rick Earl, Doug Sipe, Wayne Schlosser, Bob Baumgardner (Manager). Second row: Coach MacIntosh, Scott Saunders, Wayne Feisel, Paul Rader, Rick Martin, Sandy Morel, Ron Thaxton, Junior Browning, Mike Fey, Rick Coe, Jim Flack, Mike Hipsher, Coach Patrick. Third row: Clark Neal, John Bingle (Manager), George Graber, Dan Burley, Greg Filliator, Wayne Kingery, John Belshaw, Steve Ward, Tom Fredericks, David Dick, Douglas Burns (Manager), Steve Showalter.

The Freshman football team, under the leadership of back coach Ken Patrick and line Coach Jim MacIntosh, finished the year with a good 6-1 record. Victories were registered over Tiffin East, Tiffin West, Findlay Glenwood, Bowling Green, Findlay Central, and Fremont. Their lone defeat came at the hands of Findlay Donnell. The large squad was blessed with a good blocking line and versatile backs. Defense was the key to their victories as the frosh recorded three shutouts. George Graber paced the team offensively by scoring 36 points.

# CROSS COUNTRY

The FHS cross country team had a 9-5 record under the coaching of Art Burton. They finished second in the GLL and captured a fourth in the district meet. Co-captains for the 1965 season were seniors Frank Ferguson and Brad Dunn. Ferguson distinguished himself by tying the record for the local course, and by qualifying for the state meet in Columbus. Dunn was the most improved runner on the squad. Juniors Tom Carpenter and Mark Hall and sophomore Mark Ferrante did outstanding jobs for the Redmen.

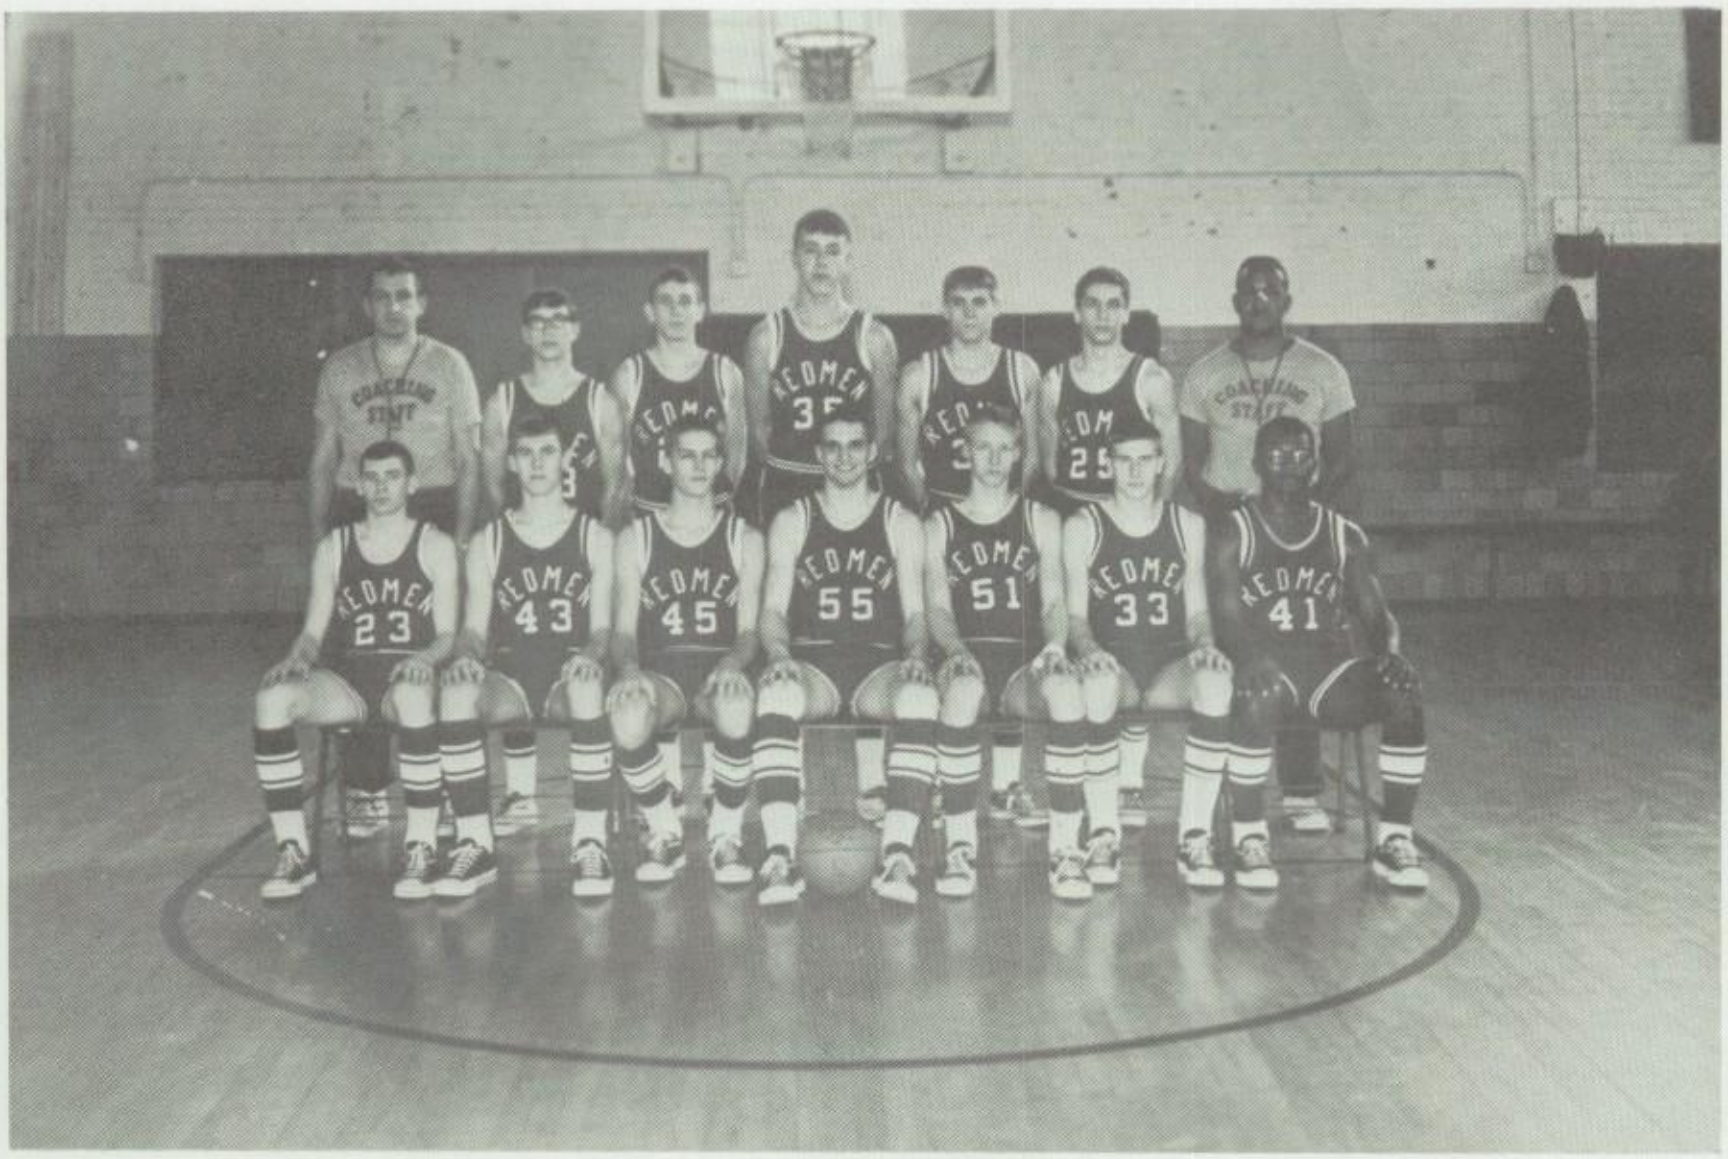
CROSS COUNTRY—First row: Walter Kramer, Bob Smith, Steve Carpenter, Frank Ferguson, Brad Dunn, Jerry Conine, Gary Eidson. Second row: Dan Fast, Mark Ferrante, Gary Miller, Tom Carpenter, Gary Martin, Bruce Florea, Bob Eidson, Mark Hall.

# BASKETBALL



Fist row: Gary Eidson, Nolan Reinhard, Brad Dunn, Artie Burton, Walter Kramer, Roger Reffner, Al Jeter. Second row: Coach Wilch, Tom Carpenter, Gary Miller, Dean Peeler, Bill Hay, Mark Ferrante, Coach Jackson.

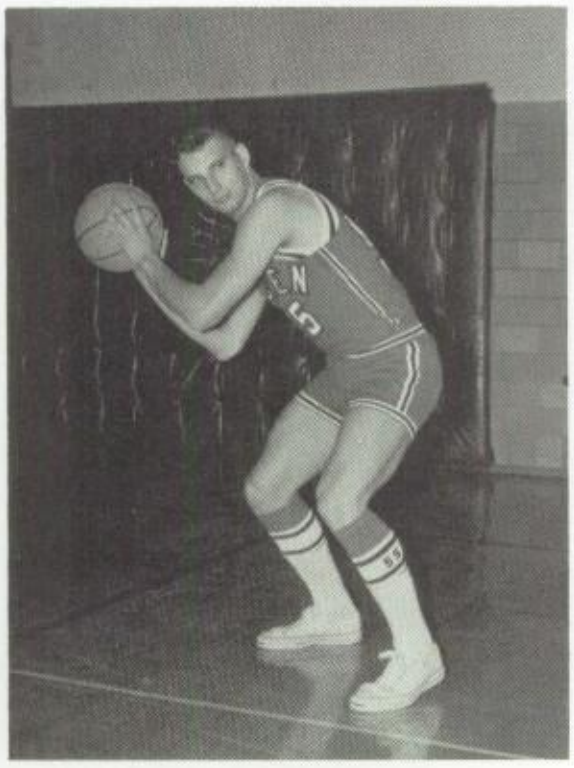
COACHES FRED WILCH AND CARLOS JACKSON



ART BURTON C

After a disappointing 64-65 season plus the loss of four seniors, the 65-66 Redmen were rated no better than a fourth place finish in the GLL race in pre-season polls. The Redmen had supposedly lost their shooters as well as their height.

When the season got underway, however, there was a different story to be told. With the tallest man on the squad measuring only 6'1", the Redmen scrapped their way to nine straight GLL victories before they hit a snag and encountered three straight defeats to end the season. This 9-3 record in GLL play however, was good for a tie for first place with Rogers and a share of the GLL crown.

While these cagers were busy mowing down the GLL competitors, they were having their troubles with the non-league foes. They lost games to arch-rivals Findlay, Tiffin, and Fremont as well as to Defiance and Lakota before finally stopping arch-rival Bowling Green.

Leading the team in scoring and rebounding was senior Artie Burton, while another senior, Brad Dunn, and junior Nolan Reinhard provided the shooting punch. Senior Roger Reffner did an outstanding job both in rebounding and on defense along with senior Walt Kramer, while senior guard Gary Eidson and Al Jeter, a junior guard, did most of the team's ball handling.

The Redmen were composed of much smaller men than were any of their opponents and for this reason much credit is due to both the boys, for their many hours of hard work and practice, as well as to Coach Wilch and his fine assistant coach, Mr. Jackson, for their hard work in helping these boys to gain the well-deserved title—GLL CHAMPS!

# RESERVE BASKETBALL

First row: Gary Dennis, Rick Earl, Mark Hall, Gary Miller, Tom Carpenter, Lewis Browning, Mark Ferrante, Larry Graves. Second row: Junior Browning, George Graber, Greg Filliator, Mike McCambridge, Dean Peeler, Bob Green, Bill Hay, Steve Tsantles, Coach Jackson, Frank Navarro.

The reserve basketball team had a highly successful season as their 12-6 record indicates. Although comprised mainly of juniors and sophomores, five freshmen were added to the line-up in midseason and performed well. The high point of the season was their victory over Findlay. Sophomore Mark Ferrante paced the team on defense and Junior Gary Miller led them on offense. Describing the team, coach Carlos Jackson commented, "They hustled real well but sometimes they played spotty ball." These players should provide plenty of potential for varsity teams to come.

# FRESHMAN BASKETBALL

First row: Paul Rader, Bob Stroman, Steve Titus, Wayne Gerrante, Bruce Florea, Bob Eidson. Second row: Doug Seel, Steve Ward, Wayne Kingery, John Belshaw, Jim Flack, Rick Martin.

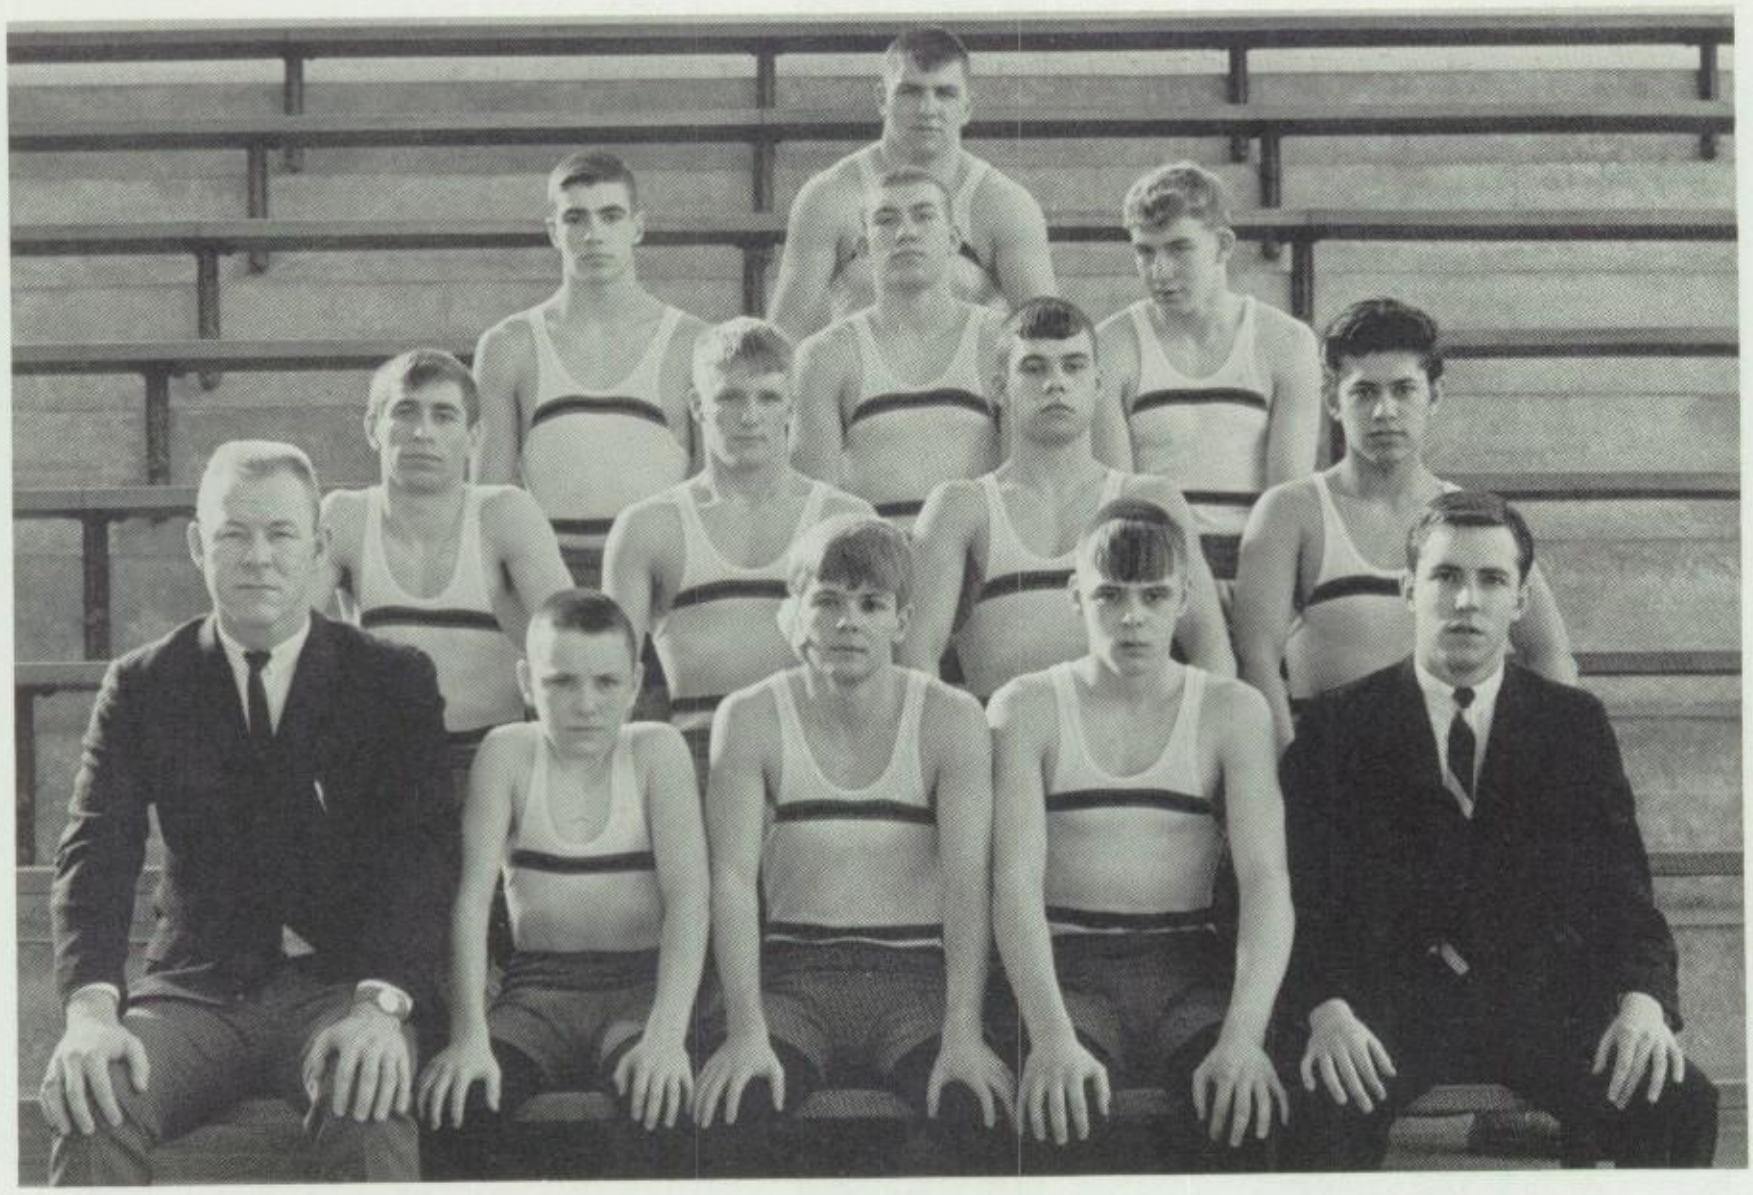
The 1965 FHS freshman is, potential wise, one of the best in the school's history. They had a 10-3 record although they lost their five starters to the reserve team. Their biggest victory was over the reserve team of Bettsville. Other victories came over Findlay Glenwood, Donnell, and Central, Tiffin East (2) and West (2) and Hopewell Louden (2). Coached by Ed LaForge and Bill Eynon, these players are "just two summers of hard work away from a league championship."

# WRESTLING

The 1965 Redmen wrestling team did not win a match (0-10) but they came close. They apparently defeated Lakota 21-19, but later had to forfeit the match for using an ineligible wrestler. The record, as new head coach Coby Coburn points out, does not tell the whole story. Says Coburn, "I feel that with the material we had, the kids did a real fine job. We both learned a lot this year."

The team had good performances from seniors Dick Watkins (9-1) and Steve Smith (7-2-1). Watkins, Smith, and Ron Markoff qualified for the district meet at Waite. Smith and Markoff were selected as co-captains before the season began.

The team was a young one as there were three first-year wrestlers on the varsity. Sophomore Bill Youngston improved greatly as the seasonp rogressed and Freshman David Roberts was noted for his progress. Coburn has already made plans for improving the wrestling program at FHS for next year and years to come.



VARSITY—First row: Coach Coburn, Gary Bowman, Dave Newlove, Steve Risner, Coach Mantel. Second row: Ron Markoff, Steve Smith, Bill Youngston, Bob Graves. Third row: Eldon Sheffer, Greg Smith, Tom Smith. Fourth row: Dick Watkins.

The 65-66 cheerleaders were an active group of girls. They put in many long hours of practice under the supervision of Miss Stelluti. It was these girls who worked hard to support the Redmen. They made many colorful signs which were placed throughout the school to help build school spirit, and sponsored the exciting pep rallies before the home contests as well. It was the duty of these girls to lead the students in cheering our teams on to victory both at home and away. They fulfilled their duty to the highest and definitely made their presence known.

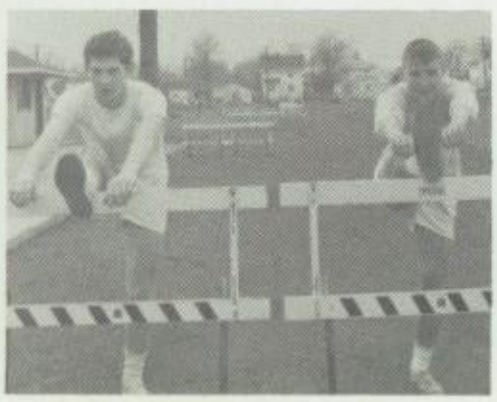
# TRACK

FHS TRACK: First row: Doug Sipe, Dansy Marel, Gary Miller, Frank Navarro, Mel Williams, Louis Browning, Tom Carpenter, Mark Hall, Ron Markoff, Ray Orwig, Al Jeter. Second row: Dan Burlay, Bruce Florea, Scott Saunders, Bob Stroman, Ken Marsenberg, Frank Ferguson, John Strauss, Jeff King, Jerry Conine; Tom Smith, Todd Russell, Gary Martin. Third row: Larry Graves, Scott Danner, Gary Gardner, Larry Martin, Dave Clay, Al Kibbe, Walter Kramer, Dean Peeler, Roger Reffner, Brad Dunn, Tony Roberts, Art Burton, Greg Smith, Gregg Gross, Steve Rose, Mike Seel.

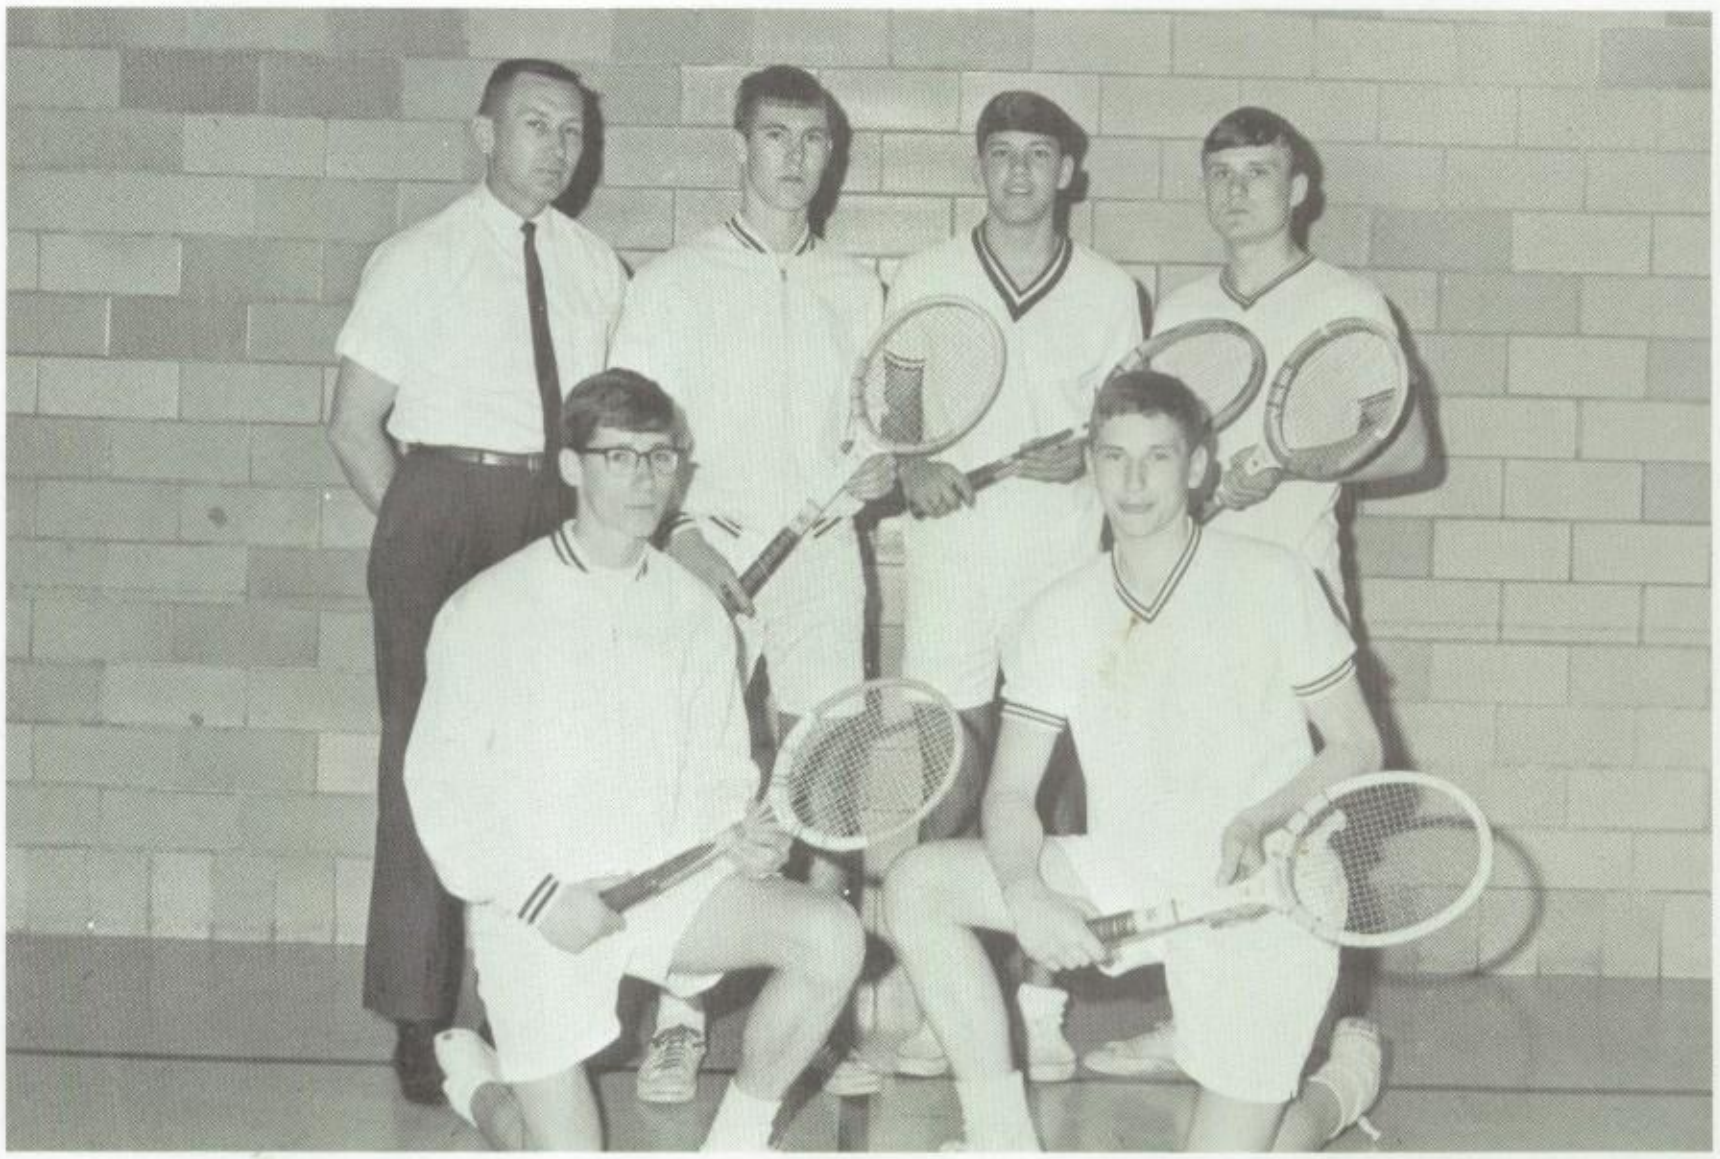
COACHING STAFF: Ray Weininger; head coach, Art Burton; and Gary Glenwright.

Several years ago Fostoria High School began a tradition of having strong track teams. For example, in the last two years Fostoria High School has been GLL champions both years. The 1966 edition of the squad will uphold this fine heritage. The team is paced by fourteen returning lettermen. Leading the squad are last year's five top point getters: Art Burton, Roger Reffner, Ron Markoff, Larry Martin, and Frank Ferguson. Last year's team set seven new school records, and this year's performers are expected to set a few marks of their own.

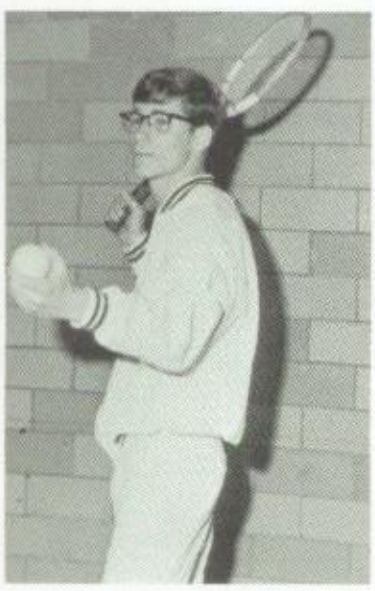
The track team is coached by Art Burton, Ray Weininger, and Gary Glenwright. Burton is beginning his tenth year as head track coach. He handles the dashes, hurdles, pole vault, and broad jump while Weininger has charge of the field events; and Glenwright, the distance runners.



# TENNIS



First row: Rick Swartz and Jim Ford. Second row: Mr. Le Forge, Nolan Reinhard, Stan Ling, and Bob Smar.



RICK SWARTZ

The Redmen Netters under the coaching eye of Mr. Edmund LeForge are in good position for a winning season. Losing several top notch players last year could mean a long hard way to go; but with two returning lettermen, Jim Ford and Stan Ling, backed by Nolan Reinhard, Rick Swartz, and Bob Smar, the 1966 tennis team hopes to be a dominant factor in the GLL. The team has a lot of desire and potential. Coach LeForge is confident that the team will come through for the Red and Black.
